

CARNAHAN PARK SEASON PERMIT

A parking fee of \$2.00 per day per vehicle is required to park at Carnahan Park during the months of September, October and November of each year. An envelope for the fee and a stub to place in the vehicle window are available at the park.

A season permit may be purchased at City Hall for a fee of \$30.00 per vehicle that will allow a person to park without paying the \$2.00 daily fee.

The permit looks like the example below and is to be attached to the driver's side front window, visible from the outside of the vehicle. The permit is not transferable from one vehicle to another.
