

TURA Assistance Applications

The Pre-Application is always the first step in the process for assistance. All required forms should be completed and submitted to the TURA office. Please read the guidelines carefully. Most of the forms below are PDF Fillable Forms.

- Private Project – [Pre-Application Packet](#) – This packet contains all of the information for submitting a pre-application to TURA
- Private Project – [Pre-Application Fillable Form](#) (individual form)
- [Private Project Guidelines](#) – Please read these guidelines before applying for assistance
- [Goals and Objective Information](#) – You will be required to submit which Goals and Objectives your project falls into
- [Private Project Application Packet](#) -This packet contains all of the information for submitting a full application
- Private Project Fillable Form – [Application Form](#) (individual form)
- Private Project Fillable Form – [Design or Engineering Application](#) (individual form)
- Private Project Form – [Property Owner Consent Form](#) (individual form)
- [Public Project – Application Packet](#) – This application packet is for any publicly owned property or project
